

# ALAN SMITH & ANNE BROOK-SMITH

## PROMOTERS OF PEACE

Alan and Anne are representing all the Trike and Bike Clubs throughout the world who spend their spare time raising money for charity. Not only is Alan an official for his Trike Club, but he is also a director for the I.D.E.A Foundation for the Benefit of Humanity. To us, these Trikers and Bikers demonstrate the vast variety of ways people are working to help Humanity. Alan and his lovely wife Anne, not to mention our adorable niece Leyah have continued to support the work to bring both Truth and Peace to the world.
